

Order of Tagalog Enclitic Words

This is an excerpt from [Learning Tagalog: Fluency Made Fast and Easy, Course Book 1](#).

When there are two or more enclitic words in a sentence, they generally appear in the following order:

1	2			3	4
ka	na/pa	naman	pala	niya	ako
ko	man	daw/raw	kaya'	<u>n</u> amin	siya
mo	nga'	po'/ho'	<u>m</u> una	<u>n</u> atin	kami
	din/rin	ba	tuloy	ninyo	<u>t</u> ayo
	lang		kasi	nila	kayo
			<u>y</u> ata'		silá
			<u>s</u> ana		
				kita	

Note: Enclitic particles (column 2) are generally used in the order given above, i.e. **na** comes before **man**, **lang** before **naman** etc.
